

“WORLD JOY SUNDAY” MARCH 2010

In this age of space travel, some dramatic photos have been taken of our home planet. From the perspective of the darkness of outer space, Earth is a beautiful blue, green, and white sphere. God has indeed created a masterpiece. These photos have highlighted the unity of all those who live on this fragile planet. Many different peoples, tribes, and nations call Earth their home.

According to the Bible, God desires that all who dwell on this planet join in praise to their Maker. We read in Psalm 100:4, “Make a joyful noise to the Lord, all the earth; break forth in joyous song and sing praises.” We will celebrate this divine vision on WORLD JOY SUNDAY, March 14th. Our worship services will joyfully praise the Creator of this planet. We will draw upon the traditions of various peoples as we honor the living God of the Bible.

An added bonus on WORLD JOY SUNDAY will be the annual Welsh Hymn Sing (Gymanfa Ganu) that will take place in our sanctuary at 2:00 p.m. This special event will lend a Welsh flavor to the international focus of that Sunday.

I hope that you can join us on Sunday, March 14th for this day of rejoicing and celebration. God delights in the praise that comes from all of his peoples on Earth.
